

KITCHEN & FOOD SERVICE SOLUTIONS: WAREWASHING & DISHWASHING

Compact & reliable warewash dispensing

The NITRO Warewash Dispenser bridges the gap between compact basic dispensers and feature packed units too large for small kitchens. NITRO has the versatility to be used with or without a probe from the same unit and the flexibility to be used on a single tank, door or conveyor machine. NITRO delivers premium features in a compact size with reduced installation and maintenance requirements that significantly lower the total cost of ownership.

Features & Benefits

- Probe or probless operation from the same unit
